

CONFIDENTIAL

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Executive Director

SUBJECT: Release of Counterintelligence Organizational Study to PFIAB

Your approval is requested for the release of the subject study to PFIAB. As you know the President in May 1982 asked the PFIAB to review how the Intelligence Community is organized to counter the hostile foreign threat. Martin Anderson, who is Chairman of the Counterintelligence Task Force for PFIAB, was given the responsibility to conduct the review on the PFIAB's behalf. To date, the task force has delayed its study because of the appointment last summer of the IG (CI) and the IG (CM). Now that the subject study has been completed, I believe it would be in our interest to make it available for the PFIAB's use in completing its report to the President.
